Pay and Allowances.

Recording a resolution from the Government of India regarding payment and incidence of
the — of medical officers in military employ deputed to famine duty and plague duty.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following paper:—

From R. A. GAMBLE, Esq., Under Secretary to the Government of India, Finance and Commerce Department (Accounts and Finance—Classification, &c.—Also Rules), to the Comptroller and Auditor-General, dated Simla, 5th July 1897, No. 2854-A.

I am directed to acknowledge the receipt of your letter, No. 278, dated the 4th May 1897, and to say, with reference to paragraph 1, that the Government of India prefer not to modify the orders contained in the Resolution in this department, No. 1876-A., dated the 24th April 1897, regarding the payment in the Military department of the pay and allowances of military officers deputed to famine duty.

2. With reference to paragraph 2 of your letter, I am to say that medical officers in military employ deputed to famine duty should be considered to be, at the time of transfer to that duty, in military employ proper, and that the orders in the resolution of 24th April 1897 cited above are applicable to them.

Those orders, however, are not applicable to officers deputed on plague duty. In their case, the incidence of the charges should follow the ordinary rule: the whole of the pay and allowances should be charged to the Civil department and should be paid and audited in that department.

Ordered that copy be forwarded to all Local Governments and Administrations, to the departments of the Government of India, and to all Accountants-General and Comptrollers (except the Comptroller, Post Office).
