Nos. 473 and 549 dated 18th June and 9th July 1897 respectively.

Read also the following:----

Telegram to the Collectors of Ganjam and Vizagapatam, dated 9th August 1897:----

"Very good rain fallen recently in ~~xk~~ your district. Is there any reason why paras 5 & 6 of Order 473 June 18 should not be enforced."

Telegram from the Collector of Vizagapatam, dated 10th August 1897:-----

"Rainfall is not good in half the district and bad in Vizagapatam, Vizianagaram, Bimlipatam, Chipurapalli taluks. Paras 5 & 6 of G.O. 473 are practically now in force. When season improved in July I stopped opening two intended works and have since closed one work and several kitchens and circles. The paras may be put in force but may have to suspend again."

Telegram from the Collector of Ganjam, dated 11th August 1897:----

"Your telegram ninth. Rainfall insufficient and reported rainfall deceptive except for sub-division where crops appear flourishing. Works being closed or concentrated wherever possible but new works may be necessary for concentration or replacement of existing ones. No objection to enforcing para 5 but matters best left to my discretion. Prices still very high and distress acute amongst poorer classes. Hence more kitchens may be necessary especially with restricted gratuitous relief. Enforcement of para 6 not desirable. Every effort being made to secure economy consistently with safety. I propose to restrict weaving operations by end of August."

ORDER thereon, No. 690 dated 13th Aug. 1897.

The Government considers that the instructions contained in paras 5 & 6 of G.O. No. 473 Rev., dated 18th June 1897 may now be ordered to be put in force in the Districts of Ganjam and Vizagapatam and the Collectors of those districts will accordingly be informed of the same by telegram.
