The District Judge of Tanjore reports that the construction of a wall of brick in mud around the District Munsif's Court of Tiruvalur is very necessary and that the cost of the work will exceed Rs. 500. In these circumstances I am directed by the High Court to request that His Excellency the Governor in Council may be pleased to direct the Public Works Department to prepare the required plan and estimate.

From the same Officer, No. 5159, dated 27th November 1896:-

With reference to your letter Reference No. 2323, Judicial, dated 12th instant, requesting to furnish a site plan showing the surroundings of the District Munsif's Court of Tiruvalur, I am directed to forward herewith the plan required.

O R D E R :- No. 45, dated 14th January 1897.

The preparation of a plan and estimate for a wall of brick in mud round the compound of the District Munsif's Court is sanctioned, but the Government will be unable to allot funds for the work as long as the present financial pressure continues.
