No 2528 of 16 May 1897  
From The Sub Divisional Office, Mount

To The Executive Engineer, Ichingpot

With reference to your No 492 here 14-5-97

with returned, I beg to report that M.R. Ry  
S. Bhaskara Aiyar, Apprentice Engineer  
was attached to my Sub Division for a  
very short time, during which he was deputed  
to visit the Deputy Collector's Catcherry under  
construction at Tiruwallur and collect full  
information regarding the manufacture and  
burning of Table-moulded bricks, construction  
of kilns &c. and other useful information, and  
he was afterwards employed in taking levels  
and framing an estimate for clearing silt  
from the bed of the old Bungaru Channel  
to serve as a Famine Relief work. While  
at Tiruwallur Deputy Collector's Catcherry, the  
Apprentice Engineer witnessed the construc-  
tion of Terracing, ordinary Brick-work, arch-  
work and flooring &c. During the time the  
Apprentice Engineer was with me he took a  
great interest in all that he had to do and was  
anxious

to acquire all possible information regarding every description and was very steady and attentive.
