Public Works Department Resolution, No. 586 G., dated 6th March 1896.
Letter from the Government of Madras, No. 3677 W., dated 21st December 1896.

Resolution.—Under the orders contained in the resolution quoted in the preamble, all the honorary commissioned, warrant and non-commissioned officers of the Burma Provincial list were transferred from the Bengal to the Madras unattached list, with effect from the 1st November 1895, for purposes of military promotion and the warrant scales of each list were adjusted in proportion to the strength of each list as modified by the transfer. It has now been pointed out by the Government of Madras that notwithstanding the adjustment the transfers have injuriously affected the prospect of the Madras military subordinates as regards promotion to the higher grades.

The Governor-General in Council, after careful consideration of the facts brought to notice by the Government of Madras, is pleased to direct that the orders contained in the resolution referred to above be cancelled; that the honorary commissioned, warrant and non-commissioned officers of the Burma Provincial list be retransferred to the Bengal unattached list for purposes of promotion; but that the promotions which have been made under those orders, and prior to the issue of this resolution, shall not be disturbed. Further that the warrant and non-commissioned officers of the Burma list whose juniors in military rank on the Bengal warrant list have been, under the operation of the orders of 6th March 1896, promoted within and to the honorary commissioned and warrant ranks, be promoted to the same ranks as their juniors, with effect from the same dates, standing thereafter in the order in which they originally stood on the list. Any temporary excesses caused by such promotion will be absorbed at the earliest opportunity on the occurrence of vacancies.

It is also ordered that the warrant scales of the Bengal and Madras lists as they existed before the issue of the orders in Government of India, Public Works Department resolution, No. 586 G., dated 6th March 1896, be restored. They will therefore stand as follows:—
