G.O., No. 88, Political, dated 5th February 1895.

ABSTRACT.—Communicating to Political officers, for information and guidance, letter from the Government of India calling for a revised return of graves of Europeans in Native States and requesting to be furnished with such returns annually in future, and directing the submission by those officers of the necessary returns accordingly.

From J. LANG, Esq., Assistant Secretary to the Government of India, Foreign Department, to the Chief Secretary to the Government of Madras, dated Simla, 7th July 1897, No. 2579-I.A.

I am directed to invite attention to the letter from the Government of India in the Foreign Department, No. 226-I, dated the 18th January 1895, regarding returns of graves of Europeans in Native States.

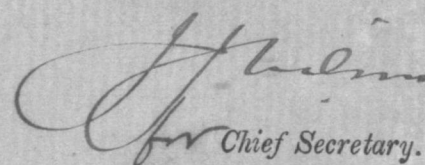

2. Inconvenience has been caused owing to the fact that in some returns the graves have not been classified, while in others the classification has been incorrect. I am to request that, with the permission of the Governor in Council, the classification suggested in paragraph 3 of the above-quoted letter may be adhered to in future returns.

3. The returns need ordinarily show only graves newly brought to notice during the year under report, and any alterations in former returns which may appear necessary; but, in order to keep the information up to date, it will be convenient if a complete return is furnished every fifth year.

ORDER—No. 488, Political, dated 23rd July 1897.

Communicated to Political officers for careful observance of the instructions of the Government of India.
