Endorsement, in the Public Works Department, No. 3316-C., dated 26th July 1897.

Read—the following letter from J. C. LARMINIE, Esq., M.I.C.E., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Camp, Dowlaishweram, 7th July 1897, No. 299-Gl. :—

I have the honour to bring to your notice that, owing to the paucity of duly-qualified men, unpassed candidates have been, and are being, appointed as temporary clerks and storekeepers on famine duty in the Ganjám and Vizagapatam divisions on salaries varying from Rs. 15 to Rs. 20 per mensem. As the appointments are numerous and the changes made in every month are many, it will save a great deal of clerical labour in every office concerned if a general sanction is given for the appointment of unpassed men to the above posts so long as the famine exists; as otherwise, application will have to be made for each individual case asking for exemption from the Examination rules. It has been found quite impossible to procure qualified men for temporary posts on small pay lasting for a few months only.

Endorsement—No. 3316-C., dated 26th July 1897.

Transferred to the Educational Department.

2. A similar concession in the case of the Ceded Districts was granted in G.O., No. 253, Educational, dated 3rd May 1897.

(Signed) D. McNEIL CAMPBELL, Col., R.E.,
Secretary to Government, P.W.D.

ORDER—No. 446, Educational, dated 7th August 1897.

The proposal of the Superintending Engineer is sanctioned for the temporary exemption of persons employed on famine duty in posts as clerks and storekeepers on Rs. 20 or under in the Ganjám and Vizagapatam districts.
