Note.

In the deltaic districts
of this Presidency, ^{viz Godavari and Krishna,} a certain number
of steamers and punts are main-
tained by Govt. for the conveyance
of materials to sites of works and
for the use of the officers of the
Department. These vessels, when
unemployed, are let to private
persons for rent.

All charges connected with
the working of these steamers and
punts, such as the wages of the
crew, cost of fuel and small stores
&c, are debited to the suspense
head "Stock", which is gradually
relieved by debits to works
raised in the case of vessels
conveying materials, and by
cash recoveries from the officers
and private persons using the
vessels.

The accompanying estimate
of Rs. 20,400 provides for the
working expenses of the steamers

and points in the Godavari
Eastern Division for 1897-98,
and the sanction applied for
is only formal, no allotment of
funds being necessary to cover
the expenditure.

Sir,

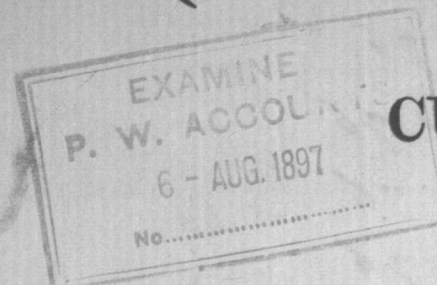

I have the honour to submit the accompanying Estimate amounting to Rs 20400 for expenditure on Steamers and Boats in the Godavari Eastern Division during the current financial year and to request that sanction of Government may be obtained to the same under Stock Manufacture and Carriage.

2. The amount of reserve Stock Sanctioned for the above D_{II} in G.O. no. $\frac{1475W}{9.5.96}$ does not include the Stock/manufacture of the above nature and the Estimate is therefore submitted for Sanction under Para 124 Chap I Vol II R. Code.

under Para 127 Chap I Vol II R. Code.
3. The Estimate for 1895-96 amounting to Rs 189
was sanctioned in G.O. No. 3138W. The amount
of current year's Estimate exceeds that of the
last year by Rs 1500 and the reasons for this excess
are given in the report which accompanies the
Estimate.

I have the honour to be
