Note for His Excellency the Governor

With reference to His Excellency's rescript dated 11th instant, it is submitted that in February 1897 the Executive Engineer, Nellore Division, surrendered Rs 1,000 from the then existing grant of Rs 10,143 for the new treasury at Nellore, but this surrender was not accepted by Govt. vide G.O. No 604 W dated 4th March 1897. The Executive Engineer therefore arranged for the utilisation of the entire grant of Rs 10,143. The Supt. Engineer, however, without the knowledge of the Executive Engineer, proposed a transfer of Rs 1,000 from this very work to the new taluk office at Ongole, and the transfer was sanctioned in G.O. No 833 A W dated 22nd March 1897 when it was too late to stop the expenditure on the former work. The Executive Engineer thus exceeded the reduced grant by Rs 1,226 and the original grant by Rs 226.
