Sir, I have the honor to inform you that no suitable public building is available at Atacamama for the Office of Executive Engineer on special duty & Drainage works, and a private building was therefore engaged on a rent of Rs: 50 per mensem. This building is said to have been partly furnished which will save purchase of furniture to a large extent. In these circumstances I request with reference to para 16 chapter VII Vol: I of S. D. Code, you will be good enough to obtain the sanction of Government for the payment ^{of rent} from the date of occupation of the building.

I have the honor to be,
