Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture.)

Dated 16 August 1897.

No. 6522 Misc

Read Government Order Revenue Department Miscellaneous No 4076 dated 5th August 1897.

Resolution

Recorded

2. The American experiments were a total failure. The scientific world has condemned these experiments as hopeless. If not:-
Belinton would refer to the Government Astronomer before trying them he would be
all to all in the latest authority

Authority on the subject. If
any rains should follow the
Delkintono experiment it will be
post hoc, but not propter hoc.

(True Extract)

And then.
