13th August 1897.

Sir,

In a telegram dated 14th May 1897, the early supply of 30 Cushings Levels, (sixteen 10 inch, and fourteen 12 inch) was requested in anticipation of an indent.

I have the honour to inform you that no indent has arrived up to this date, and no intimation as to the service to which the outlay on the levels is to be charged, nor the officer to whom they should be addressed, has been received

As the levels are now ready for shipment they will be forwarded by the first available steamer, to the Public Works Department, Madras, as it is thought that they are probably required by that Department.

I shall be obliged if you will cause a formal indent to be sent home for the levels, as soon as possible as promised in the telegram of 17th May 1897.

I have the honour to be, Sir,

Your obedient Servant,

W. Crozier

Deputy Director General of Stores.

The Secretary,
to the Govt. of Madras,
Public Works Dept.
Madras.
