ORDER—No. 2132 W., dated 4th August 1897.

The papers recorded above contain applications from the Superintending Engineers, I, II, IV, V and VI Circles, for allotments required under Excluded Local, Port funds, for incomplete works of 1896-97, and for new works proposed to be undertaken in the current official year. The demands, the details of which are given in the annexed statement, amount to Rs. 19,084 as shown below :—

Works	Rs.
Establishment	16,273
Tools and plant	2,638
	173
Total	19,084

2. The question of providing the requisite funds will be considered in the Financial Department.

3. The statement submitted by the Superintending Engineer, VI Circle, does not show the amounts to be provided for the pier at Tuticorin on account of establishment and tools and plant charges. This information should be furnished as early as possible, and on its receipt a supplemental application will, if necessary, be made to the Financial Department.
