REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the Board of Revenue, Revenue Sett., No. 7063 Mis., dated 31st August 1897, on the following letter from the Collector of Cuddapah, Reference No. 1224/F of 97 dated 26th August 1897:-----

In his letter No. 2129 dated 10th July 97, the Executive Engineer brought to my notice that the work on the Paidekalva Channel in Cuddapah was nearly completed and requested my instructions as to finding some works for the coolies there. I informed him in my letter Reference No. 1224/F dated 19th July 1897 that arrangements should be made to take up the repairs of the Samudrampalli Channel (as sanctioned work) as soon as the work at Paidekalva is completed.

2. The orders of Government directing that no new works should be opened without its sanction were received subsequent to the above communication and sanction would have been applied for at least afterwards, had it not been for the instructions contained in para 2 of Board's Proceedings No. 518, dated 20th July 1897 which laid down that when a work is completed and a new work opened to take its place, it is not opening a new work. As the above instructions have since been cancelled, I have the honour to request that the sanction of Government may be obtained for the opening of the work at Samudrampalli. The work was actually opened on 9th August 1897.

Resolution:-----

Submitted for the sanction of Government.
