Read—also the following papers :—

Office Note from the Examiner, Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 24th July 1897, No. 2354-D.B.

I beg to bring to the notice of Government that the Accountant-General, Madras, in his transfers to the Public Works Department of outlay incurred under "33. Famine Relief" and charged to Local Fund Accounts, Cuddapah, has included the pay of paymasters also, presumably on the authority of paragraph 4 of G.O., No. 133, Financial, dated 8th February 1897, which enjoins that "all paymasters should be regarded as Public Works disbursers and obtain funds from the Public Works Department."

2. As, however, these orders do not place it beyond doubt that the pay of paymasters who have been appointed by Collectors is intended to be charged finally against the Public Works Department (Famine), I would ask the favour of an authoritative ruling on the point. In the meantime I am accepting such charges provisionally only.

3. The favour of an ealry reply is requested.

Endt., No. 968-D., dated 29th July 1897.

Transferred to the Financial Department for orders.

(Signed) D. McNEIL CAMPBELL, Colonel, R.E.,
Secretary to Government.

From F. C. HARRISON, Esq., Officiating Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 6th August 1897, No. L.F.D.—315.

With reference to your endorsement, No. 1615, dated 30th July 1897, on the office note from the Examiner of Public Works Accounts, Madras, regarding the debit of the pay of paymasters to Public Works Department (Famine), I have the honour to state that if the money was drawn under the Civil system, and the control of the works was Public Works Department and their cost debited to the Public Works Department, then the paymaster's pay should be also debited to Public Works Department. It would be anomalous to debit the work to Public Works Department and to debit the pay of those supervising it to Civil.

Order—No. 669, Financial, dated 24th August 1897.

The Accountant-General's opinion, in which the Government concurs, will be communicated to the Public Works Department.
