OFFICE NOTE No. 55-3A

To

W.

The development of famine, coupled with a certain amount of sickness among the accounts staff, have had the effect of draining my resources in respect of such staff to the uttermost.

2. Every available man has been sent out, and, in order to meet the demands for Accountants, ending with that of the Supg. Engineer 3rd. Circle the other day for 2 more peripatetic Accountants, I have been obliged to resort to more than one undesirable expedient of withdrawing Accountants from non-famine Divisions to supplement the requirements of those Divisions which are most in need of help.

3. As it is, the accounts work in the Bellary and Kurnool Divisions in particular is said to be falling into great arrears, and as in the event of any other Accountant breaking down or any fresh or unforeseen calls arising, I have positively not a man whom I could

fall back upon, I have found it necessary to report the facts of the case to the Accountant General P.W. Department and ask him for the temporary loan of two additional Accountants (on the India list) to meet further contingencies.

4. The Accountant General has directed me, with your approval, to apply to the Examiner P.W. Accounts, Bengal for the 2 extra Accountants wanted, and as there was no time to be lost I have done this by telegram in anticipation of Govt. approval, which I would now ask to be favoured with.
