SIR,

In reply to paragraph 3 of your letter, No. 144 A.G., dated 27th July 1897, inquiring whether the removal of the orders for the restriction of expenditure under 42. Major Works, Working Expenses, will enable this Government to meet all demands, including the one for an additional grant of Rs. 54,000 for the Kistna Delta system put forward in telegram, dated 19th June 1897, I am directed to state that it is not possible to meet all demands, as the Superintending Engineers, I, II and VI Circles, report that no reductions can be made in the grants for their circles, and as the Superintending Engineer, III Circle, can surrender only Rs. 5,000.

2. I am, however, to add that, in accordance with the instructions contained in your telegram, No. 53-A.I., dated 28th June 1897, the Superintending Engineer, II Circle, has been informed that the additional grant of Rs. 54,000 required for the Kistna Delta system should be met by re-appropriation of the existing grants to his circle.

Sir,
Your most obedient servant,

Colonel, R.E.,
