In order to facilitate the distribution of Standing Orders to the Public Works Department Codes to Government officers and subordinates who purchase copies of the Codes for their private use, I am directed to enquire whether there would be any objection to the Superintendent, Government Printing, India, forwarding them through Local Governments and Administrations, and in the case of railways through Managers and Engineers-in-Chief, for distribution to the persons concerned ; and in what manner this could most conveniently be done so far as the Government of Madras you is are concerned. That is to say, for instance, whether the authority who distributes the Standing Orders should enclose and direct them to the persons who are to receive them according to a list to be kept up ; or whether the Superintendent, Government Printing, should simply forward packets of Standing Orders addressed to the persons by name, which would then be fully addressed in the office of the Local Government or Administration and forwarded.

SIR,

Your most obedient Servant,

G. H. Walker

Under Secretary to the Govt. of India.
