YEREA

Sir

1. I have the honor to request - you to kindly obtain the sanction of Government for the execution of building work, in connection with the Hobart School, Otago, by the Public Works Department
2. A grant of Rs 733 was sanctioned by you in Proceedings No 2713 of March 9th 1896 for this work
3. The Estimates have been duly prepared in the P W Department; but Mr A. A. G. Malet, Executive Engineer, Comptroller in a letter dated June 15. 1897, says he cannot proceed with the work until he receives the orders of Government to do so, & that I must apply for such orders through you
4. I may say that on previous ^{occasions} Government has kindly allowed P W D to carry out such work for us. The Hobart School is not the private property of the C. I. S.: it is held in trust by the Bishop of Madras for the purposes of a school & is more or less of the nature of a public building
5. If you will kindly get Government to allow the P W Department to do this work, I shall be much obliged

I have the honor

to be
