Sir,

With reference to para 20 Chapter X, Volume I, P.W. Code, I am directed to request the sanction of the Govt. of India to the demolition of a lock-shed at Tirupparanandal in the Tanjore District. It was built in 1856 from Imperial Irrigation funds, and its book value is Rs 180. It is reported to be falling in, and there

there is no likelihood of its being required for use.

2. I am to take this opportunity of enquiring whether petty cases of this kind need be referred to the Govt. of India, and to suggest that a money limit might be fixed within which the demolition of Imperial buildings may be sanctioned by Local Government.
