GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), Mis. No. 7071, dated 31st August 1897:—

Read—the following letter from the Collector of Vizagapatam, to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, dated 25th August 1897, No. 820:—

Referring to Board's Proceedings (copy attached), No. 538, dated 30th July 1897, I have the honour to report that, taking into account the price of new grain where such is on sale, the district average price of ragi is now cheaper than 12 seers to the rupee. Famine allowances, under article 72 of the Civil Account Code, will, therefore, cease. I presume that I am right in taking the price of new grain into account. Old grain is much dearer.

Resolution—Mis. No. 7071, dated 31st August 1897.

Submitted for the early orders of Government.

2. The Collector is directed to cease granting the allowance from the date on which the district average price of ragi fell below 12 seers for a rupee.
