Mr Medlicott, Ex: Engineer,
2nd Grade, whose services have been
lent temporarily to the Nizam's govt.
for employment as Chief Engineer for
Irrigation, has been offered an ap-

the offer he wishes to know whether he
will be promoted to Ex: Engineer,

happen during the period he is ab-

There is no precedent for
a Madras P.W.D. officer being

such a case seems governed by

In the case of Mr Whiteley who was transferred to Mysore, no express stipulation was made at the time of the transfer that his promotion would go on as if he was present, because it was apparently taken for granted that it would. As a matter of fact his promotion did* go on. When the undersigned was served in Mysore, his promotion on the Madras list went on as usual.

It is therefore proposed to answer Mr Medlicott's question in the affirmative.
