READ—the following paper:—

From G. S. T. HARRIS, Esq., Consulting Architect to the Government of Madras, to the Chief Engineer, Public Works Department, dated Chépák, 17th September 1897, No. 1700.

With reference to paragraph 3 of G.O., No. 2355 W., dated 25th August 1897, I have the honour to report that Rs. 318 will be the probable saving that can be effected by carrying out the alteration referred to in paragraphs 2 to 5 of the order No. 1009, Public, dated 28th July 1897. No. 1 has been already carried out in the estimate amounting to Rs. 19,663. Item No. 6—The ceiling will consist of half inch planking (not panelled) for the principal rooms and cloth for the bed and dressing rooms, which I consider should remain.

2. I am proceeding with the preparation of the materials and will be able to expend Rs. 8,000 by Christmas, which sum kindly allot this division out of the Rupees 12,000 allotted. Kindly request the Executive Engineer, Madura division, to have the masonry of the out-houses put in hand at once; the out-houses to be utilized for storing all the materials to be sent up.

ORDER—No. 2708 W., dated 29th September 1897.

Paragraph 1 of the Consulting Architect's letter will be communicated to the Public Department, with reference to G.O., No. 1009, Public, dated 28th July 1897.

2. With reference to paragraph 2, a formal allotment to the Consulting Architect's division for the work to be done by it is unnecessary. The outlay incurred at Madras should be debited to the Madura division in accordance with the provisions of paragraph 118, chapter III, volume II, Public Works Code.

3. The Executive Engineer, Madura division, will at once comply with the suggestion at the end of the Consulting Architect's letter.
