Endorsement of the Public Works Department, dated 8th March 1897, No. 1313 C.

From the Inspector-General of Police, Madras, dated 27th July 1897, No. 2595.

With reference to endorsement No. 661, Judicial, dated 16th March 1897, made on C. No. 1633, Public Works Department, I have the honour to return the plans and estimates for converting the military place-of-arms at Mangalore into an office for the Superintendent of Police countersigned as requested.

2. The present Superintendent raises three points. He objects to the site of the proposed latrine as too near the office. On this point I would suggest that the Executive Engineer and the Superintendent of Police might be authorized to place the latrine wherever they think most suitable, after consultation together. He wishes for a well. This can be taken up separately, if necessary, and need not be considered now. He asks for some protection from the glare through the windows in the hot weather. As the Government has already very strongly objected to the expense of this building, I presume that no addition can be made of the nature suggested by the Superintendent.

Order—No. 1096, Judicial, dated 3rd August 1897.

The plans and the revised estimate for Rs. 3,340 are approved and will be returned to the Public Works Department.

2. The Inspector-General's suggestion as regards the site of the proposed latrine, is approved.
