GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

READ—the following paper:—

Statement of sums sanctioned on account of famine relief in the various districts of the Madras Presidency to the end of July 1897.

ORDER—No. 742, Financial, dated 11th September 1897.

Recorded with the remark that a comparison of the present statement with that forwarded with the Accountant-General's letter, No. 2620, dated 26th August 1897, shows that a large amount of expenditure has occurred without specific allotments having been procured. The Famine Commissioner will be requested to look into this matter immediately and to cause Collectors to forward statements of expenditure according to the latest available actuals and of grants sanctioned by Government. The Famine Commissioner will at the same time state whether, in view of the improvement in prospects, any of the grants already made can be surrendered.
