- (1) The contents of the grounds.
- (2) Whether there ^{are} any valuable plants and trees.
- (3) Whether the fallen be ^{found} are sold and what premises necessity to go so carefully.
- (4) Why cannot P. W. Department be com- both

In reply, the Executive Engineer reports that the extent of the grounds is 10.6 acres, that there are 146 coconut trees (18 young and 128 fruit yielding), 66 palmyrah trees, 6 goa trees and 416 other trees, making a total of 634, that the average annual rental is Rs. 47, that the garden requires to be guarded against nuisance and petty thefts, that the fallen branches are sold off by public auction and that the watchman employed on the stores cannot look after the garden, as the stores are kept in a building near the Executive Engineer's quarters, a mile away from the office premises. The expenditure involved by the entertainment of the proposed garden will be Rs 60 per annum and will exceed the annual income from the garden by Rs 13. As however, it is necessary that the garden should be kept clean, it is recommended that the garden be applied for be sanctioned.

Copy of a letter from M. R. N. Ratnasabhai
Bilay Amergul Rai Sahib, Executive Engineer
Mysore Division to the Superintending Engineer
5 Circle No 382 & B dated 27 August 1897.

With reference to your No. 232 N.Y. dated
10 August 1897, I have the honour to state as
follows:-

1. The extent of the ground is 10.6 acres
2. There are 146 coconut trees (young, 18 and old fruit yielding 128), Palmyrah trees 66. Goa trees 6 and other trees numbering 416, thus making a total of 634. The rental yearly is collected regularly and the average of the last 5 years is Rs 47.
3. The garden requires to be guarded against clients and others intruding on the public offices, committing nuisance and doing mischief against petty thieves. The fallen branches are sold off by public auction.
4. The watchman employed on the stores cannot look after the garden, as the stores are in a building situated near the Executive Engineer's quarters, a mile away from the office premises.

NOTES.

Reference to P. W. D. Code.

Chapter I, Para. 30.

1. All proposals for changes in the scales of permanent establishments must be accompanied by a statement in Part I of this form when the changes relate to the engineer or upper subordinate establishments and in other cases by a statement in Part II of this form.

2. The column headed "present scale" should invariably show the existing *sanctioned* scale (not the strength of the establishment as it actually stands at the time), and should be verified by the Examiner before the statements are forwarded to the sanctioning authority.

From. Mr. P. Ry. N. Ratnasabhapati Pillay Auzgal,
Rai-Sahib, Executive Engineer Megapattam
Division, to the Superintending Engineer
Trichirle, dated 15th July 1897, No. 286 S.E.

I have the honour to bring to
your notice that the compound in which the
Government Offices at Megapattam are located
is not well cared for, there being neither a
gardener nor a watchman actually in charge
of the compound that can be made responsible
for keeping the compound clean or for prevent-
ing petty thefts of fallen branches &c.

2. Under the circumstances, I
request that the entertainment of a gardener
may be got sanctioned as per proposition state-
ment enclosed, his pay being charged to
45 Rupees, Provincial repairs (Code I-VI-67).
The gardener will be asked to live in the compound
itself so that the duty of watching may be
more effective.

Enclosure: - 1 Proposition.

No. 274 N.

Copy submitted to the Chief Engineer P. W. D.
with the recommendation that in the circum-
stances explained

explained by the Executive Engineer, sanction
of Government may be obtained to the enter-
-tainment of a gardener or watchman for
looking after the Public Offices at Nagapatam.
2. The usual proposition statement is here -
- with forwarded.

CLARKE
22/7/97 LICALRE

July 1897. Supt. Engineer & Secy.
