Provision was made originally in indent No. 4 of 1897-98 submitted on 4th June 1897 but this indent was returned with your endorsement No. 183 B.W.S. of 5th July 1897 for revision as funds were insufficient. A special indent for the levels fee had therefore to be sent and this was the cause of the delay.

ment with reference to G.O. No 2515W. dated
9 September 1897.
