[illegible]

With reference to your no 166 N.S. dated
7 June 1895 on A.R.D. Chief Engineer memo no 670.T
dated 31 May 1895, I have the honour to inform
you that a contribution of Rs. 314 (works 25),
establishment 59, Tools and Plant 4) is due
by the Throtriendars of Kilacheri for the repair
of their tank for which an estimate of Rs. 1260
was sanctioned in Register number B.T. of 95-96.

The collector has intimated that the contribution due has been collected except Rs 40 odd which is due from 4 persons residing in the Buducottah territory, and that the Tahsildar has been directed to ~~see to~~ the matter.

No intimation has yet been received as to the balance of contribution due having been collected, but the Examiner of P.W. Accounts urges early sanction of Government for undertaking the work as a contribution work.

I have the honour therefore to request
that you will be good enough to obtain the

requisite

requisite sanction of government for undertaking it as a contribution work and to put it in hand as soon as the balance of contribution due is paid in.

N^o 6482.

Submitted to the Chief Engineer for Irrigation I.R.S. with reference to his Memo N^o 670.T. of 31st May 1895, with the request that in the circumstances stated, sanction of government may be obtained for undertaking the repairs to the Kilachery tank in Pattukota taluk, as a contribution work as soon as the balance of contribution is paid in.

In forwarding herewith duly sanctioned the estimates with plans for Rs 550 + Rs 1260 for repairing + improving the Atthiampatti + Kilachery tanks respectively in Pattukota taluk, Tanjore District, the undersigned has the honor to inform S.E. that these tanks irrigate partly Shrotriem + partly Gor^t lands as shown in the financial statements accompanying the estimates and that the Shrotriem dars concerned have to pay contribution towards the cost of repairs to the tanks in proportion to the extent of Shrotriem lands irrigated by each tank as noted in the margin.

The S.E. is requested to arrange in communication with the Collector to have the contribution due from the Shrotriem dars concerned recovered before the work is put in hand.
