Note

In G.O. No 1095W dated 28th April 1897, sanction was accorded to the entertainment, for a period of 15 days, of a surveyor on Rs 60 and 4 lascars on Rs 6 each, per mensem, for the preparation of plans and estimates for the Kayyur tank in the Kistna Northern Division

2 The Suptg Engr subsequently reported that, as there was no local surveyor available and as no man could be brought from a distance for such a short period, he employed on this work a surveyor who was till then working in the Chilakaluripad Project on Rs 80 per mensem, and recommended that he should be paid at the same rate. This was allowed vide G.O. No 2111W dated 3rd August 1897.

3 The work could not be finished within the sanctioned period, and the Surveyor had to spend 18 days on it. The Suptg Engr now applies for sanction to the employment of the Surveyor for 18 days instead of 15 days originally sanctioned.
