NOTES.

Reference to P. W. D. Code.

Chapter I, Para. 30.

1. All proposals for changes in the scales of permanent establishments must be accompanied by a statement in Part I of this form when the changes relate to the engineer or upper subordinate establishments and in other cases by a statement in Part II of this form.

2. The column headed "present scale" should invariably show the existing *sanctioned* scale (not the strength of the establishment as it actually stands at the time), and should be verified by the Examiner before the statements are forwarded to the sanctioning authority.

SIR,

I have the honour to submit herewith a proposition statement for the entertainment of a spout clerk for a period of 3 months in the Godavari Central Division office and to request that you will kindly obtain sanction of Government for the same.

2. The Chief Engineer says that lists of Spouts in Channel banks and of turns have been prepared and maintained in the Division office and that there is no time to prepare copies of the same for even Sub D.C. officers. The clerk now applied for is required for making copies which when ready will be printed for distribution among the Village Munsiffs concerned vide rule IV of the water distribution rules already approved in irrigation Chief Engineer's No. $\frac{I}{103}$ G.D. of 10¹¹ 94
