Letter from the Acting Collector, Godavari, Ref. on C. No.

36/acc of 1897, dated 19th January 1897; to the Secretary to the Commissioners of Land Revenue, Madras:-

I have the honour to state that on my arrival in this District I found that the staff boat purchased for the use of the Collector was unfit for habitation, and sent her to the Executive Engineer, Godavari Eastern Division, for Survey and his opinion as to whether she is worth repairing. In reply he states that the repairs would cost Rs. 800 and suggests that she be sold by auction and a new and suitable one constructed. The present boat is old and rotten one and unserviceable. I therefore request that the Board will be pleased to obtain the sanction of Government to sell her by auction and to construct a new one. The financial record of the boat is given below:-

| (4) Amount of rent recovered from the date of purchase up to date | ----- Rs. 1,785-14-11. |
