GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

Read—the following papers :—

From J. C. LARMINIE, Esq., M.I.C.E., Superintending Engineer, I Circle, to the Secretary to Government, Public Works Department, dated Waltair, 28th April 1897, No. 272 G.D.

With reference to paragraph 8 of my letter, No. 2189 G.D., dated the 18th January 1897, I have the honour to state that, after some discussion with the Executive Engineer who is strongly in favour of the retention of the post of storekeeper, I have decided that the only reduction that can well be carried out is that of one temporary clerkship of Rs. 20.

2. My proposals are that—

(*a*) The designation of the appointment of the cashier clerk should be altered to that of clerk. The duties of this clerk as cashier are confined to payments made in the Division office which are very few and do not require the employment of a separate cashier clerk. The few payments can be made by the head clerk of the Division office and the cash book written up by him.

(*b*) The retention of the storekeeper's post.

(*c*) Abolition of the temporary clerk's post on Rs. 20.

3. I request that you will be so good as to obtain the sanction of Government to the proposals.

From the Examiner, Public Works Accounts, dated 24th June 1897, No. 1988 D./E.

From J. C. LARMINIE, Esq., M.I.C.E., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Camp Chettipet, 10th September 1897, No. 1076 G.D.

With reference to your memo., No. 3304 C., dated 26th July 1897, I have the honour to forward, herewith, a letter, No. 215 S. of 3rd September 1897, and its enclosures in original, and to state that, although the transactions connected with stores in the Division office are not such as to fully occupy the whole time of a special storekeeper, yet the work in the Division office, when taken as whole, is heavy and the present storekeeper may be retained and styled a clerk on Rs. 25 to be employed in compiling tools and plant and the stock returns of the division and in keeping ledger of indents of materials sent to other divisions. In the event of this clerk being retained, the temporary clerk on Rs. 20 sanctioned for the division will be dispensed with. I trust that this recommendation will meet with your approval.

Order—No. 2824 W., dated 8th October 1897.

The proposals of the Superintending Engineer to designate the cashier on Rupees 30 to 40 and the storekeeper on Rs. 25 per mensem as clerks, and to abolish the temporary clerk's post on Rs. 20 per mensem in the Gódávari Western division, are approved.

Note

In a report of an inspection of the office of the Ex. Engineer, Godavari Western division, made by the Deputy Examiner P. W. accounts in October 1896, it was pointed out[x] that there was a storekeeper in the division who had nothing to do with the charge of stock proper, which was in the custody of sub divisional officers, the storekeeper having charge only of head quarter tools, stationery & office furniture. It was also pointed out that the division office had on its staff a Cashier, who had nothing to do with the receipt & payment of cash in

[x] Paras 7 & 11 of report printed with G.O. No 3518W of 8.12.96 (flagged S)

HK. 29.9.97 R 5.10.97

sub-divisions, and that his work in the office as Cashier was so slight, that his services were utilised as an assistant in clerical & accounts matters. The Dy. Examiner suggested that the designation of this man might be altered to Clerk.

In para 4 of S.E.'s No 35 ISW d/ 8.12.96, it was remarked that neither the Storekeeper nor the clerk appeared to have sufficient work in his proper capacity, and the Supdg. Engr. was asked to consider whether a reduction of establt. could not ~~at~~ be effected by combining the duties of the two offices.

* Flagd S

In letter No 272 Sy. D. dated 28.4.97, the Supdg. Engr. reported that the Executive Engr. was strongly in favour of the retention of the post of Storekeeper, and ~~the~~ he therefore made the following proposals:

+ Flagd E

7

(a) The designation of the appointment+ of Cashier to be altered to that of Clerk. The duties of the cashier are confined to payments made in the division office, which are very few, and do not require the employment of a separate cashier. The few payments to be made by the head clerk.

+ Pay Rs 30-40 per mensem.

(b) The retention of the †Storekeeper's post.

†. Pay Rs 25 per mensem

(c) Abolition of a temporary Clerk's post on Rs 20 per m.

The Examiner on being asked to criticise these suggestions, stated that he had no remarks to offer as to (a) & (c), but with regard to (b) he pointed out that if the Storekeeper was to be kept on as *such*, he should be required to do the duties attached to such a post, in accordance with P.W. code paras 122 & 125

Ch: I, Vol II. The Examiner no doubt had in view the general stock of the division, which in para 7 of the Ex. Engr's report printed with G.O. No 3518 W of 8.12.96, was shown to amount to Rs 10,832, & which was reported to be in charge of sub divisional officers.

+ Flag S

In note of 16.7.97 on Current No 6178, the Secy. inquired what the Storekeeper would have to do, and in memo: No 3304 C of 26.7.97, the question was repeated to the Supdg. Engr., who was asked to justify the retention of the Storekeeper —

+ Flag C

+ Flag D

The Supdg. Engr's answer is contained in his letter No 10769 G.D. dated 10.9.97, and from it it is clear that it is not intended to give the Storekeeper

£ Flag H

the charge of the stock now in the custody of sub divisional officers —

The Supdg. Engr's present proposals are practically the same as before, only that he suggests that the Storekeeper's designation should be altered to ~~[illegible]~~ Clerk — Both the Storekeeper & Cashier will thus be called Clerks, and the temporary Clerk's post on Rs 20 will be abolished —

2-14

The first man is to have charge of the stationery & forms, office furniture & camp equipage as well as scientific & drawing instruments, & he will be employed in compiling the tools & plant & stock returns of the division, & in keeping the ledger of indents of materials.

P.W. 25

sent to other divisions. As the stock & returns compiled in the Ex. Engr's office will include the Rs 10,000 stock in sub divisions, it is probable that the man will have enough to do.

The other clerk (formerly cashier) will probably continue to be employed as an assistant in the accounts branch, & in clerical duties.

The work in the Godavari delta divisions is always heavy, and the proposals of the Supdg Engr, which seem reasonable, might perhaps be sanctioned.

For orders.

29/9/97

W

These proposals may be sanctioned.

Asst. ~~Executive~~ Engineer, in ch.
Godavari Western Division.

To

The Superintending Engineer,
I Circle

Enclosures. Two Lists

Sir,

With reference to your no. $\frac{C}{379}$ of 1-8-97, I have the honor to forward herewith a list of Tools and Plant in Divisional Stores and to state that the tools referred to therein can be handed over to the Delta Supdt at head quarters.

2. The Storekeeper will then have charge of Stationary and forms, office furniture and camp equipage.

3. I also forward a list of scientific instruments and drawing

drawing materials in Dvl Store. Although these are supposed to be under the custody of the Executive Engineer vide para 115 Chapter II ~ Volume II P.W. code, but it happens that the Storekeeper should handle them some-times under the instructions of the Executive Engineer

3. I have, therefore, considered it preferable to retain the permanent Storekeeper doing away with a temporary hand on Rs 20 instead; the duties of the temporary clerk being entrusted to the Storekeeper and his designation being altered to ~ "Store clerk" (vide para 2 of this office no $\frac{165}{3-4-97}$) ~ since he compiles Tools and Plant and Stock returns and keeps ledger of indents for materials sent to workshops, quarries etc and does other clerical duties just as is the cases in the two neibouring Divisions (Godaveri Eastern and Central).

~~what~~ why - may be called a clerk

165 of 13/4/97 & not 3/4/97

7/9 B

4. The retention of the Store clerk has been recommended by me as an alternative ~ arrangement i.e. by corresponding reduction of a temporary hand and this may, I request, be explained to the chief ~ Engineer with reference to his memo No 3304 C of 26/7/97

I have the honor to be,
Sir,
Your most obedt Servant.
