Establishment.

READ—the following papers:—

From J. A. JONES, Esq., MEM. INST. C.E., F.R.S.E., Sanitary Engineer to Government, to the Secretary to Government, Public Works Department, dated Fort St. George, 20th May 1897, No. 906.

With reference to copy of letter attached from the Engineer, Madras Harbour Works, I have the honour with reference to rule 3 of Notification B (under the Boiler Act), Fort St. George, January 23rd, 1897, to enquire whether Government has any objection to the Inspector doing the work which Mr. Pogson desires.

2. Mr. Walters would, of course, do the work so as not to interfere with his ordinary duties and can arrange with Mr. Pogson as to his remuneration.

ENCLOSURE.

From A. LEE POGSON, Esq., Engineer, Harbour Trust Board, to the Sanitary Engineer to Government, dated Madras, 18th May 1897, No. 164.

With reference to the notification published in *Fort St. George Gazette*, dated 26th January 1897, regarding the Boiler Act, I have the honour to ask whether the Boiler Inspector may be permitted to inspect, test and report upon two steam launch boilers belonging to the launches of the Harbour Trust.

2. I shall be glad to pay any fees for his doing so, but he informs me that your special sanction is necessary before he could undertake anything afloat.

From F. C. HARRISON, Esq., Officiating Accountant-General, Madras, to the Secretary to Government, Public Works Department, dated 5th July 1897, No. 2006.

With reference to your endorsement, No. 536, Public Works, dated the 15th of June 1897, forwarding, for my remarks, letter from the Sanitary Engineer to Government enquiring if Government have any objection to the Inspector of Steam Boilers and Prime Movers undertaking the work of inspecting, testing and reporting upon the two steam launch boilers belonging to the launches of the Harbour Trust and to his receiving remuneration from that body for doing that work, I have the honour to state that the inspection of the boilers of the steam vessels does not come within the duties of the Boiler Inspector, under the rules laid down in Madras G.O., No. 215 W., dated 23rd January 1897, based on section 23 of the Madras Act III of 1893, as

section 1, clause 4 of the Act, does not apply to the boilers of steam vessels. The inspection of these boilers is made under Act No. VII of 1884, and the Inspector is not competent to grant the survey certificate as he has not been appointed surveyor under that Act. The Harbour Trust Board seem to require the Inspector's professional opinion upon the boilers of launches belonging to that body. His services can only be given with the permission of Government under rule 3 of the rules published in Madras G.O., No. 215 W., dated 23rd January 1897. Government should also determine what fees, if any, should be realized from that body, and whether any portion of them should be granted as honorarium to Boiler Inspector under articles 88 and 91, Civil Service Regulations.

No. 953 D.

Referred to the Sanitary Engineer for report as to what remuneration the Harbour Trust Board propose to give the Boiler Inspector for his professional opinion.

From J. A. JONES, Esq., MEM. INST. C.E., F.R.S.E., Sanitary Engineer to Government, to the Secretary to Government, Public Works Department, dated Fort St. George, 7th September 1897, No. 1470.

In reply to your reference, No. 953 D. of 28th July 1897 (herewith returned with attached papers), I have the honour to inform you that the Engineer of the Harbour Trust informs me that he proposes to pay, for the opinion of the Boiler Inspector, a sum of Rs. 25 for each of the two marine boilers belonging to the Harbour Trust.

ORDER—No. 2826 W., dated 9th October 1897.

Under paragraph 3 of the rules published in G.O., No. 215 W., dated 23rd January 1897, the Boiler Inspector is permitted to undertake the inspection of the two steam launch boilers belonging to the Harbour Trust Board. He will be granted the entire fee of Rs. 25 offered for the inspection of each boiler.

SUBJECT. Inspection by the
 Boiler Inspector of 2 steam launch
 boilers belonging to the Harbour Trust
 Board.

FOR ORDERS.

The Harbour Trust Board requests
 that the Boiler Inspector may be per-
 mitted to inspect, test and report
 upon 2 steam launch boilers belonging
 to the Trust and offers a remuneration
 of Rs 25 for the inspection of each boiler
 or Rs 50 altogether.

The Sanitary Engineer reports that
 the Boiler Inspector would do the work
 so as not to interfere with his ordinary
 duties and inquires whether there is
 any objection to the Inspector under-
 taking the work.

The Accountant General reports
 that under Rule 3 of the rules published
 in G.O. No. 215 Wd of 23 January 1897,
 the sanction of Govt. is necessary to
 the undertaking of the work by the
 Boiler Inspector and that Govt.
 should also decide what portion

of the fees should be granted as hono-
rarium to the Inspector under articles
88 and 91 of the Civil Service Regulations...
Orders are accordingly requested as
to whether the Boiler Inspector may
be permitted to undertake the work
and whether the whole or what portion
of the fees should be granted as hono-
rarium to the Inspector.

He may be allowed to do the work,
and the whole amount of the fees may be
granted to him.

The duties of the Inspector are referred to in the Notification in Fort Saint George Gazette, Part I, dated 26th January 1897, and under rule 4 all examination fees are to be credited to Govt. - C.S. Regulations are therefore not applicable. The Inspector of Boilers is not under my audit but, apparently, - under the Accountant General Madras, and who I think audits the pay of the Sanitary Engineer. The case should properly be referred to the Accountant General Madras for remarks.

With reference to your endorsement N. 536
Public Works dated the 15th of June '97 forwarding for
my remarks letter from the Sanitary Engineer

any objection to the Inspector of Steam Boilers
and Prime Movers undertaking the work of inspecting
testing and reporting upon the 2 steam launch
Boilers belonging to the launchers of ^{the} Harbour
Trust Board and to his receiving remuneration
from that body for doing that work, I have the
honour to state that the inspection of the boilers
of the Steam vessels does not come within the
duties of the Boilers Inspector under the rules
laid down in Madras Government Order No 215 N
dated 23 January '97 based on Section 23 of the
Madras Act III of 1893 as Section 1 clause 4 of the
Act does not apply to the Boilers of Steam vessels.

The

The inspection of these boilers is made under Act No. 11 of 1884 and the Inspector is not competent to grant the survey certificate as he has not been appointed Surveyor under that Act. The Harbour Trust Board seem to require the Inspector's professional opinion upon the boilers of launches belonging to that body. His services can only be given with the permission of Government under Rule 3 of the rules published in Madras Government Order No 215 W dated 23rd January 1897. Government should also determine what fees if any should be realized from that body and whether any portion of them should be granted as honorarium to Boiler Inspector under Articles 88 and 91 Civil Service Regulations.
