From G. H. D. WALKER, Esq., Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Simla, the 31st August 1897, No. 2336 G.

With reference to your letter, No. 1808 W., dated the 3rd July 1897, and telegram of the 15th idem, I am directed to communicate the sanction of the Government of India to the appointment of Mr. F. W. Ashpitel, Executive Engineer, as Superintendent of Works of the special Lighthouse Division and to the grant to him, subject to the confirmation of the Secretary of State, of a local allowance of Rs. 100 per mensem, with effect from the date on which he assumes charge of his duties. Mr. Ashpitel should, during the period he is employed as Superintendent of Works, continue to count as an effective against the scale of Executive Engineers and no sub. *pro tem.* or temporary promotion will therefore be admissible in his place.

2. It is observed that the Government of Madras expect that the work on which Mr. Ashpitel will be engaged will take about $3\frac{1}{2}$ years to complete. I am to request, however, that this point may receive further consideration before the end of the first year, when a further report should be submitted to this Government on the subject. It is desirable, I am to add, that no unnecessary delay may be allowed to occur in bringing the work to a close.
