To

THE Chief Engineer,
P.W. Department,

Sir,

Enclosures.

I have the honour to bring to your notice that owing to the large number of relief works in progress in the Bellary Division at places where there are no post offices, heavy expenditure is being incurred on account of tappal charges (the expenditure during July being nearly Rs 300) and the restriction placed on such charges in G.O. No 2442W of 22 9 97 cannot be adhered to. I have therefore the honour to request that you will be good enough to obtain sanction of Government to relax the rules on this subject as long as famine facts and sanction all tappal charges.

charges incurred, which Prudent Engineers
may be trusted to keep within the lowest
possible limits.

I have the honour to be,

Sir,

Your most Obedient Servant,

H. H. Hunter
