With reference to G.O., No. 654, Educational Department, dated the 22nd October 1896, I have the honour to suggest that the Military Authorities may be addressed on the matter of handing over the Old Bullet Factory, in which the school of the Native Regiment at Rayapuram was till recently accommodated, to the Educational Department for the proposed Medical School if one is to be started in Rayapuram.

2. I have ascertained from the Surgeon, 1st District, that the building is strongly constructed, roomy, commodious and well-ventilated and would afford excellent partial accommodation for a Medical School with certain necessary repairs and alterations.
