Major W. L. C. Baddeley R.E.
SUPERINTENDING ENGINEER,
II CIRCLE.

To,

The Chief Engineer
P. W. Department
Madras.

Sir,

Enclos:

I have the honour to inform you that I left Roxwada on the 3rd July and arrived in Madras on the 5th July for the purpose of going through the plans and estimates of the Coorn Improvement Scheme, and discussing with the Engrs. Engineer, Buckingham Canal &c. other questions connected with the proposed Harbour Boat Basin, and the Buckingham Canal.

2. It was not possible for me to do properly all I had to do within the limit of 10 days, and also on the 15-7-1897 the Chief Engineer for

for irrigation telegraphed home
from Ootacamund to await
his arrival in Madras.

3. In these circumstances I
beg to request that under Art. 1159
Clause C, G. S. Regulations, I
may be exempted from the operation
of the rule against drawing
travelling allowance for more
than 10 days of a halt at one
place; for the period 6th July
to 23rd July, both days inclusive.
Has not been read in any Dept. of the Secretariat. Seems to be a mistake. There is no clause C.

I have the honour to be,
Sir,

Your most obed^t servant,

W. B. Addley

Major R.E.

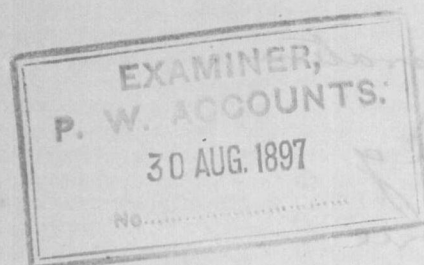

Supg Engr: II Circle.

SIR,

In reference to your

I have the honour to inform you
that during the time I was in

without which I could not
have done the work I had to

I was, therefore, put to extra
expense by my halt of more

the expense was of the kind that
I. A. is intended to meet.

I have the honour to be,
