FOR ORDERS.

The estimate of Rs 16,091 requiring sanction is on account of expenditure already incurred in compensation for land required for constructing residences for the European officers of the head-quarter staff of the Madras District. In the letter

embodied in G.O. No 1930 dated 16th July 1897, item 1 shows an expenditure of Rs 12,720 up to a certain date in 1896-97 when the irregular outlay was reported by the Manager to the Accountant General and by the latter to
