Note.

In G.O.No.881 W dated 29th --
March 1897, the transfer of the P.W.
Rest house at Gudalur to the Rev.
Dept. was sanctioned, the building
being no longer required by the P.W
Department.

While in charge of the P.W. Department, a watchman on Rs.8 per mensem was employed to look after it.

The

The employment of this watchman for three months ending 31st May 1897 was sanctioned in G.O.No. 2593 W dated 18-9-97, it having -- been anticipated that the rest -- house would be finally handed over by that date.

The Superintending Engineer now asks for sanction for the extension of this period by 20 days or to 20th June, the explanation being that the watchman was actually in charge up to the latter date.

The maistry who was ordered to bring away the rest house furniture was delayed at Gudalur, waiting for the sub divisional officer from Cannanore, to hand over other buildings at Gudalur to the West Coast Division.

It is proposed to sanction the application.
