NOTES.

Reference to P. W. D Code: No.

Chapter I, Para. 30.

1. All proposals for changes in the scales of permanent establishments must be accompanied by a statement in Part I of this form when the changes relate to the engineer or upper subordinate establishments and in other cases by a statement in Part II of this form.

2. The column headed "present scale" should invariably show the existing *sanctioned* scale (not the strength of the establishment as it actually stands at the time), and should be verified by the Examiner before the statements are forwarded to the sanctioning authority.

No 62. Σω

Forwarded to the Chief Engineer. P. H.
Department with a recommendation that
Sanction of Government be obtained to the
entertainment of the Establishment applied for
by the Superintending Engineer.

Executive Engineer,

Madura Division

Dated the

29th September 1897.

2017

No. 1411. D. D.

Submitted to the Chief Engineer for Irrigation
with reference to his memorandum No 67
D. D. dated 11th June 1897 and with a request that
Sanction of Government may be obtained
to the Survey Establishment applied for this
Establishment is required for completing
the Perandalar reservoir project, for in-
vestigating the Nagalur Odai project, for
surveying private lands along Viravanan
river drainage by Periyar water and for
surveying sites for ferries or narrow masonry
bridges over Viravanan & Lurily rivers. This
Establishment is very necessary and it would take
up the Viravanan river drainage in the first place
