11<sup>th</sup> September 1897, I have the honor  
to inform you that I obtained  
the necessary information direct  
from the Chairman Municipal  
Council, Ootacamund, in August  
traced the road proposed by the  
Council and prepared an  
estimate.

2. I have already passed all the plans and estimates finally for submission to you and only 2 or 3 more points remain to be attended to.

I expect to get the estimates in a very few days.

3. As regards para 2 of the Memorandum, I cannot find any authority on record and

have submitted proposals to  
the Collector for the division of  
Church Hill into building sites.
