Travellers' Bungalow at Melur

Communicating to the Superintending Engineer, VI Circle, correspondence embodying a letter from the President, District Board, Madura, accepting the rules proposed with regard to the use of the —, and approving the proposed rules.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following papers :—

From the President, District Board, Madura, to the Secretary to Government, Local and Municipal Department, dated 19th March 1897, Ref. on C. No. 8 /D.O.B.

With reference to G.O., No. 450 L.M., dated 6th March 1897, I have the honour to say that mention is only made of the condition in paragraph 4 of my letter and nothing is said as to the condition in paragraph 3. The district board was not concerned in the matter except to secure for *bonâ-fide* travellers the same rights that they enjoyed under the agreement between the Board and the D.O.B. fund.

2. It is the members of the D.O.B. fund that are most concerned in the proposed transfer, and they only consented to it on condition that they should retain prior claim to occupation of one of the two rooms.

3. I request that Government may be pleased to issue express orders recognizing the prior claims of the officers of the D.O.B. fund.

No. 443, Local and Municipal.

No. 2417 C.

Referred to the Superintending Engineer, VI Circle, for remarks.

8th May 1897.

(Signed) D. McNEIL CAMPBELL, Colonel, R.E.,
Chief Engineer.

From Lieutenant-Colonel O. V. BODDY, R.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 17th June 1897, No. 855 M.D.

With reference to your endorsement No. 2417 C., dated 8th May 1897, herewith returned, I have the honour to state that I do not think that it would be a satisfactory arrangement to allow the subscribers to the D.O.B. fund to have a prior right over the officers of this department to the use of one room of the Mélúr bungalow.

2. I consider that officers of this department and subscribers to the D.O.B. fund should have a prior right over all others to the use of the bungalow, but that the officers of this department, who will have frequent inspections to make from this important centre, should have a prior right over the subscribers to the D.O.B. fund to the use of one room.

3. I enclose a copy of the special rules which it is proposed to make applicable to this bungalow.

Enclosure.

Rules for the use of the Travellers' Bungalow at Mélúr.

Under G.O., No. 419 W., dated 11th February 1897, the following rules are issued for the guidance of all persons using the bungalow at Mélúr :—

(1) The bungalow is in the charge of the Executive Engineer on special duty so long as that appointment is in existence, and afterwards in the charge of the Executive Engineer, Madura division.

(2) Officers and European subordinates of the Public Works Department have the prior right to the use of the north room.

(3) Subject to the above limitation, the bungalow may be used by all subscribers to the District Officers' Bungalow fund free of payment.

(4) When not required by officers of the Public Works Department or subscribers to the District Officers' Bungalow fund, the bungalow may be used by *bonâ-fide* travellers on payment of 8 annas for each day or portion of a day of 24 hours, but any person occupying the bungalow under this rule must vacate it at once on the request of any of the above-mentioned officers.

(5) Any person using the north room will move into the south room on receiving certain intelligence that a Public Works Department officer is coming on that day.

(6) Subject to the above rules any person who has occupied the bungalow for 24 hours must, if called upon, vacate on a fresh arrival.

(7) A list of all subscribers to the District Officers' Bungalow fund will be maintained.

(8) A book will be kept in which all persons using the bungalow will enter their names and the time of arrival or departure and the payments, if any, made.

(9) All persons occupying the bungalow are responsible for any damage they, or their servants or followers, may cause to the buildings or fittings.

(Signed) T. W. S. SMYTH,
Executive Engineer on Special Duty.

No. 3167 C.

Referred, through the Local and Municipal Department, to the President, District Board, Madura, for favour of report as to whether there are any objections to be urged against the rules proposed by the Superintending Engineer. Considering that frequent inspections must be made by officers of the Public Works Department from Mélúr, and that the building will be maintained by this department, the rules seem only reasonable.
