Sir,

The orders were
communicated
to S.O. on the 22nd
it is strange that
we did not see
it till the 5th

I am told that my application
for temporary establishment has not
been sanctioned and as the order may
come after I go on leave I venture to write
on the strength of rumour.

What I wish to especially bring
to your notice is the urgent necessity for
an extra draughtsman in connection with
the Bhavani Reservoir Project.

I propose to take up the work of
preparing comparative estimates whilst
on leave the two permanent draughtsmen
have their hands more than full with
ordinary work and I shall not be able
to do much without a special draughts-
man to assist me.

I spoke to you on this subject not long ago and proposed that the draughtsman should stop in Coimbatore rather than come up to Ootacamund with me as going up to Ootacamund would involve him in considerable extra expenditure and you approved of my proposal.

In accordance with the permission contained in your No 449 C.S. dated 2nd July 1897 I have retained the services of the temporary draughtsman and for the reasons stated above I propose to continue to retain ^{him} ~~them~~ unless I get express orders to the contrary from you.

As my previous proposition statements may have been disposed of I enclose a fresh statement limiting my proposals to the entertainment of a temporary draughtsman for favor of sanction.

The period entered is from the 26th June 1897 on which date the previous sanction expired, to the 15th December 1897.

I have the honor to be
Sir,
Your most obed^t. servant
