From

G. S. J. Harris Esq.

Consulting Architect

to the Government of Madras,

F

The Chief Engineer

Public Works Department.

Sir,

Enclosures.

With the Honble Mr. Duncan
I examined the Veterinary stables attached
to the Agricultural College and found
them, owing to the late heavy rains, in a
precarious condition. Considering the
matter urgent I have had made out an
estimate for removing the existing thatched
roof & re-roofing it with palmerash &
rafters & country tiles, prepared at once
& submitted to the Director of Public
Instruction for his approval.

2.

2. The Estimate has amounted to Rs 652/ and is therefore in excess of Rs 500/; so, I should, in ordinary course, have obtained the approval of Government for its preparation but as the

matter was, as above explained, urgent,
I got the necessary documents ready and
trust that my action meets with your
approval.

3. Immediately on receipt of the
estimate duly countersigned by the Director
of Public Instruction, the work will be
put in hand & completed on as early a
date as practicable.

I have the honor to be

Sir

Your most obedient servant

C. S. Davis

Consulting Architect
to Government.
