EXPLANATORY REMARKS.

(a) The excess here is due to the compensation paid to the Todas on account of lands taken up for the Ootacamund Cantonment.

(b) The decrease in the actuals is due to the larger amount of customs duty collected at the Native ports in Cochin.

(c) Provides for arrears unclaimed in the previous year.

(d) The difference of Rs. 240 in the actuals is due to this amount having been erroneously shown under pensions "Not exceeding Rs. 5,000 per annum" which will be reversed in the Accountant General's next supplemental account.

(e) This pensioner died on the 6th September 1897, but the provision is retained pending the sanction of Government to the continuance of the pension.

(f) Includes arrears left undrawn in the previous year.
