Mr Joyce has
already applied for
the increment. His
letter has gone forward
to C.

It is proposed
to ask C to report
on service for incre-
ment of other officers
who were promoted
to 1st grade on 1st Dec
1893, as apparently
we should not wait
until the officers
ask for it.

Mr de Winton's
name is included,
as the increment should
apparently be granted
as a matter of form,
although he is acting
in a higher office.
