G. W. Dancer Esquire Esq
Acting Collector of Malabar.

To The Secretary to the Commissioners of
Land Revenue,
Madras.

Sir, I have the honour to request that the sanction of Government may be obtained for the preparation of an estimate for the construction of a Compound wall and a well for the new office building of the Deputy Tahsildar at Tirurangudi. The building has been taken charge of by the Deputy Tahsildar who reports that the additional works are necessary.

2. The Executive Engineer who was addressed in the matter states that these works were not provided for in the estimate and that as their cost will exceed Rs 500, the sanction of Government should be obtained for the preparation of the necessary estimate.

I have the honour to be
Sir

Sir,

Adverting to Board's Reference
dated 8th April 1897 on general No 1687
of 1897 I have the honor to state that
a wire fence will suffice for the
Compound attached to the Deputy
Tahsildar's office at Tiruvangadi.

Madras.

Sir,

With reference to L.P. no. 1796^W dated 3rd July 1897, I have the honor to inform you that a compound wall of mud with tiled coping for the Deputy Tahsildar's office at Tiruvangady is utterly unsuitable to the climate of the West Coast, as I doubt it would stand even through one monsoon.

2. A Compound wall of laterite in mud on a concrete foundation will cost about Rs. 2250. A wire fence with 5 strands of plain wire and two pairs of iron gates can be put up for Rs 900.

Order thereon No. 5605 Misc. d/2nd November 1897.

In modification of the order read above, the Govern-
ment approves the proposal made by the Superintending Engi-
neer, IV Circle that a plain wire fence should be put up
round the compound of the new Deputy Tahsildar's Office at
Tirurangady instead of a mud wall with a tiled coping.

2. With the above modification the proposal will
be re-transferred to the Department of Public Works for the
issue of the necessary orders.
