PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Registrar of the High Court, Madras, Ref. on Cur. No. 2134/97, dated 5th October 1897:—

I am directed to request that His Excellency the Governor in Council will be pleased to sanction the construction of a Court-house for the District Munsif of Satur in the Tinnevelly district.

2. The Court is at present held in a ⁷²Mantapam close to the Vishnavite Temple. The space available is insufficient and the noise and other inconveniences are such as to make it very difficult for the District Munsif and his establishment to perform their duties with efficiency. The work of the Court is increasing and its file is already heavier than those of the Tinnevelly and Ambasamudram Courts.

3. The District Judge considers that a large piece of ground next to the hospital and Taluk Offices and fronting the Tinnevelly-Madura ^{trunk}~~taluk~~ road is the most suitable site for the building required and has requested that the sanction of Government may be obtained for the acquisition of the land at once as vacant sites round the town are being rapidly built on.

4. The Honourable the Judges consider that the Mantapam is evidently not a fit place for a court-house according to modern requirements. They would mention the fact that the court-house at Tirukkoyilur in South Arcot was formerly in

a similar position and Pariahs were not allowed to enter it. Very possibly a similar objection exists in the present Satur Court though the District Judge does not mention it.

5. In these circumstances, I am directed to request that Government will be pleased to ^{direct} ~~direct~~ the preparation of the necessary plans and estimates and the acquisition of the site recommended by the District Judge.

ORDER:- No. 1572 dated 8 November 1897.

The proposal to construct a court-house for the District Munsif of Satur is approved and the necessary orders for the preparation of estimates will be issued in the Public Works Department.

2. The Collector of Tinnevely will be requested to forward the necessary draft declaration for the acquisition of the site proposed by the District Judge.
