FURTHER PAPERS.

26th August 1897

To Mr. F. Storey

The satisfactory completion of your course of study at the Royal Indian Engineering College having been duly reported to this Office, the Secretary of State for India has been pleased to appoint you to the Engineer Establishment of the Indian Public Works Department as an Assistant Engineer, ~~second~~ grade, with effect from the 1st October 1897

Your claims to leave, furlough and pension will be determined by the regulations laid down by the Government of India, and made applicable to their Civil Engineers; such regulations being subject to any modifications or alterations which may be made in them from time to time by the Government of India, and their interpretation in case of any doubt arising being left to that Government. Your service for pension will be reckoned from the date of your appointment.

In the event of your being compelled by ill-health, certified to the satisfaction of Government, to quit the service of the Government of India within the period of ten years from the date of your first appointment to the service, you will be furnished with a first-class passage back to England at the public expense, provided that you avail yourself of it within three calendar months of your leaving Government employment.
