From A. R. BECHER, Esq., Officiating Deputy Secretary to the Government of India, Public Works Department (Account-General), to the Acting Secretary to the Government of Madras, Public Works Department, dated Simla, 6th November 1897, No. 230-A./G.

From the Government of India, Public Works Department, to the Secretary to the Government of Punjab, Public Works Department, dated 6th November 1897, No. 229-A./G.

In reply to your letter, No. 1662 S., dated 18th October 1897, I am directed to inform you that the restriction of expenditure on Civil and Irrigation works from Imperial, Provincial and Local Funds may be considered as removed from 1st January 1898. I am, however, to add that, on the removal of this restriction, the rate of expenditure should not be increased merely with the object of utilizing grants. Care should be taken that each item of expenditure is desirable in itself and is undertaken on the usual principles of economical management.

If any portion of the sanctioned grants can be surrendered the amounts should be communicated as early as possible.
